

A public consultation on a **significantly reduced** mixed-use development scheme at:
Highland Court, Bridge

Highland Court is a joint venture between Quinn Estates and Highland Court to create an exemplar mixed use development near Bridge incorporating:

- State of the art sporting facilities for Canterbury Rugby Club and Canterbury Football Club
- 175 holiday homes
- Business park including offices, small commercial units and an innovation centre
- Leisure hub including a restaurant, spa, gym, nursery and small scale retail space

We have scoured the country to find the very best examples of pioneering eateries, exciting leisure and retail spaces and ultra-high end holiday homes and bring them together to create an exemplar new leisure and business community, a first for Kent.

We have organised a series of public exhibitions to give local residents and stakeholders an opportunity to see and discuss our **significantly reduced** proposals. The aim is to understand the views and ideas of the stakeholders so that the scheme can reflect them.

The events will be held on:

Thursday 22nd March 2018: 5pm – 7pm at Bridge Village Hall

Saturday 24th March 2018: 9am – 11am at Bekesbourne Village Hall
